

REMARKS

The allowance of claims 1-17 and 29 in the Office action of September 29, 2010, is gratefully acknowledged.

In the Office Action of September 29, 2010, a new ground of rejection was issued against claims 18—28.

Claims 18-28 have been canceled without prejudice.

Claims 1-29 were also provisionally rejected for double patenting over copending Application No. 11/991,685 assigned to the assignee herein.

Submitted herewith is a timely filed terminal disclaimer signed by the undersigned along with a power of attorney. A Statement under Rule 3.73(b) has been previously filed in this application on January 21, 2009 to support the power of attorney.

In view of the Amendment and Remarks, reconsideration of the application is respectfully requested. After the Amendment, claims 1-17 and 29 have been allowed, and a Notice of Allowance for these claims is earnestly solicited.

Respectfully submitted,

By:
